SHOP GUIDE & ASSETS

Join Charisma on her YouTube channel [charisma's corner](#) showcasing tips and tricks to make the DAZZLE Block of the Month

Estimated start date October 1st!

Things of note:

- Great blocks shine in a modern setting
- Printed templates throughout
- Leftover fabrics are saved to use for upcoming blocks
- Month 6 has small paper piecing section (excellent opportunity for teaching this fun technique)
- Pinwheel blocks are made from leftovers of colors and allows for playing with color placement.
