Amazing Grace, How sweet the sound
That saved a wretch like me
I once was lost, but now am found
T'was blind but now I see
T'was Grace that taught my heart to fear
And Grace, my fears relieved
How precious did that grace appear
The hour I first believed
Through many dangers, toils and snares
We have already come.
T'was grace that brought us safe thus far
And grace will lead us home,
And grace will lead us home
Amazing grace, How Sweet the sound
That saved a wretch like me
I once was lost but now am found
T'was blind but now I see
Was blind, but now I see.

E-Z READ BOOKS : ZOO & FARM FRIENDS

by QT fabrics
DESIGN & CREATE

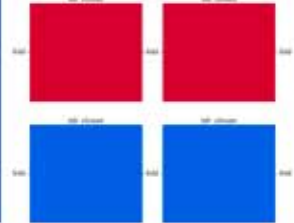

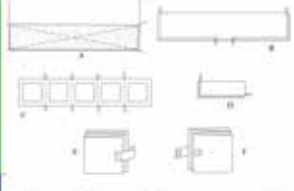

- SUPPLIES NEEDED**
- a piece of felt cutting about 10" x 20"
 - 4 strips of 1" inch-wide bias fabric, 24" length or more for book covers
 - thread

SEAM ALLOWANCE: 1/4"

- PRELIMINARY STEPS**
1. Read through all instructions carefully before beginning.
 2. Cut out all printable pages along outer edges.

- TO MAKE BOOK**
1. Using the lower left of a page section on the cover as a pattern piece, cut out a section of felt cutting lengthwise at fold line. Be sure leaving 1/2" seam allowance on both ends. (Diagram A)
 2. With right sides together, fold each section to half lengthwise. Be sure and align the three edges, leaving a section open for turning. (Diagram B) Turn facing close to stitching line, turn right side out through opening, and press. Repeat sewing cover.
 3. To position through all instructions, an individual between the two pages, it would be a good idea to leave the binding loose first, so that your stitching line centered on the front between the pages fits in the same place on the back between the pages. (Diagram C) Remove binding and fold your book in an accordion manner.
 4. To make tabs, fold lengthwise with right sides together. Stitch around the two sides, leaving and section open for turning. (Diagram D) Turn right side out through opening, turn to each side, and press. Repeat cover.
 5. Attach one end of tab to the right center front of cover, about 1" from edge. Stitch in place at this end. (Diagram E) Bring other end of tab around back end of book to the back, where you will attach the other end of book and bias fabric to the backside of tab and left back side of book. Stitch across in place. (Diagram F) To attach cover tab, with one end of tab to right center back, again positioned 1" from edge. Bring around to the front of book, attaching one end to book and loop fabric as you did before. (see Diagrams E and F)
 6. Repeat all steps for other book.

Baby Mobile

Supplies Needed:

- Medium to large embroidery hoop (just the inner ring)
- 2 small packages of embroidery thread
- Large embroidery needle
- Cup hook, for attaching to ceiling
- Cotton or poly filling

1/4" seam allowance is given for all pieces.

Instructions:

1. Read all directions thoroughly before cutting.
2. Follow directions on the individual packaging of the cup hook to attach to the ceiling.
3. Cut out all pieces along outer edge.
4. Match them as labeled (i.e. sun front = sun back) with right sides together.
5. Stitch 1/4" inside of dotted cut lines, allowing room for turning (where indicated). Turn them right side out, stuff generously with cotton or poly filling. Slip stitch closed.
6. Start by doing a mockup of the spacing. This is optional but allows you to test out spacing before making the final product.
7. Thread your embroidery thread right through the stuffed toy, doing a few backstitches on the top side of the toy, (where indicated with red asterisk *) to hold it in place.
8. Be sure to leave enough embroidery thread at the top end to allow for tying onto the embroidery hoop.
9. Repeat this for each of the 10 embroidery threads and lay them out neatly as you go.
10. Tie each thread onto the hoop, evenly spaced out. Start by tying them all loosely. Once you're happy with the spacing, loop the thread around the hoop again and tie tightly.
11. Tie three lengths of embroidery thread loosely to the inner ring of the embroidery hoop, so they're evenly spaced around the hoop. Now bring all three threads into the center of the hoop and knot them together, making sure that the hoop hangs level. Tie them around the cup hook in your ceiling. You can trim any excess thread once the mobile has been hung in position.

IMPORTANT! please note that this mobile is not a toy and should always be hung securely, well out of the reach of babies and young children.
